"We are the messengers of the good news"

MISSION OF EVERY CHRISTIAN AND PEOPLE OF GOOD WILL

“GO, PROCLAIM THE GOOD NEWS”

Our Archbishop’s pastoral letter, dated 02nd June 2024, is addressed to not only Priests, Religious and Faithful of the Archdiocese, but also to the ‘people of goodwill’ in this Archdiocese. Therefore, the call to share the “Mission” is for both: Christ’s faithful as well as to those who, though not baptized, experience divine goodness in their hearts. One may ask, “What is the mission?” For Rabindranath Tagore, an Indian poet, (the mission of) “every child comes with the message that God is not yet discouraged of man”. In other words, the mission of every human person is to make known to all that God loves human beings in spite of their failures and inadequacies. God has a plan for every human being. In Jeremiah 29 verse 11, God says, “Yes, I know what plans I have in mind for you, Yahweh declares, plans for peace, not for disaster, to give you a future and a hope”. When every person realises God’s specific plan/s for himself/herself, that person will live a life full of joy and peace. Jesus says, “I have come to give life and life in fullness” (Jn. 10:10). This was the Mission of Jesus Christ. We are beckoned to experience that ‘life in fullness’ and ‘proclaim it to the whole world’. Consequent, to glorify God by our life fully lived as St. Ireneau recapitulates, “God’s glory is man fully alive”.

(a) Mission of “People of Goodwill”. Every person has a twin mission that is (i) to tell the world that he/she is **sent by God** and (ii) to be the **harbinger of hope**. In order to fulfil that mission, the person must **discover God’s plan** for his/her life. In order to understand the above, one needs to enter into divine realm, align his/her thoughts, emotions, desires, will and actions with that of God’s. All people have the responsibility to live such a life and participate in the mission. However, when a certain person says he/she does

not believe in God; lives as per his/her plan; and/or is given to a life of despair, then one can say that such a person does not live his/her life in fullness and consequently becomes incapable to give glory to God. The latter category of people exclude themselves from ‘the people of goodwill’.

(b) Mission of Christ’s Faithful (Bishop, Priests, Religious and Laity). The newly appointed Auxiliary Bishop of the Archdiocese as well as priests, religious and laity share, in addition to the “common mission” of the ‘people of goodwill’, a “specific mission” entrusted by Jesus Christ in a “diverse form” each according to his/her state of life. The command “Go, proclaim the Good News” (Mk. 16: 15) entails both the common and specific mission entrusted by Christ. In the first place, we, as human beings must participate in the common mission but since we are, through baptism, incorporated into Christ and have become members of the Church, we share in the salvific mission of Christ. In order to understand the mission of Christ, we need to not only enter into the divine realm with other human beings but also enter into the life of Christ (Rom. 8: 29), be transformed into Christ (Gal. 4:19), until we are able to say that “it is no longer I who live but Christ lives in me” (Gal. 2:20).

The above mentioned mission is to be lived and witnessed by each of the Christ’s faithful according to his/her state of life. The Archbishop encourages the faithful to participate in the Mission through various participatory structures at the Parish as well as Diocesan level (P. Letter, no. 3.3). When ‘fully alive’ Christ’s faithful participate in those structures, the Parish becomes lively and vibrant which in turn brings glory to God. Fully aware of the various challenges to the ‘Mission’ (P. letter, no. 3.1), the Archbishop motivates us to face the ‘Mission’ with a new heart and a new mind (P. Letter, no. 3.2). I urge all the parishioners to read the pastoral letter reflectively, apply the principles to Christian life faithfully, and participate in the ‘Mission’ joyfully. St. Catherine of Alexandria, pray for us!

‘HE HAS ANOITED ME TO BRING GOOD NEWS TO THE POOR’ (LUKE 4:18)

One of the main teachings of the church - **Love thy neighbour**. We have an obligation to care for the poor, needy and the under privileged. The Universal Church is the major contributor of donations in the World. In Goa, almost all our parishes help the needy. In view of the same **Good Samaritan Fund of the Parish (GSFP)** is initiated in our parish under the name ‘**COFRE DA FABRICA DE SE CATHEDRAL**’ to assist in meeting the basic requirements of food, health, education and shelter of the needy from the year 2024.

It is in collaboration with an Initiative of the Archdiocese of Goa and Daman with a mission to initiate a fund, both at the diocesan and parish level to help the needy in the diocese through the respective parish.

The fund is at two levels namely Good Samaritan Fund of the Diocese (GFSD) at the Diocesan level and Good Samaritan Fund of the Parish (GFSP) at the parish level. The fund has two components, both at the diocesan and parish levels, 1. Working Fund 2. Corpus Fund with two types of operations 1. Ex-gratia assistance and 2. Raising of funds.

Good Samaritan Fund at the Parish level is a 3 member Committee headed by the Parish Priest, the term being 3 years which will report to the Good Samaritan Fund committee of the Diocese.

Funding and Budgeting: The church entities are registered as both a religious and charitable institution and the church has done and still doing yeoman services in education, health care, sports and social needs of the public. Its official entities as Fabrica, Cofre, Confraria enjoy 12A benefits because the church is a charitable institution. In view of the same, It is proposed that the fabrica, Confraria and other associations strive to aside a substantial initial amount as working capital as well as an amount in their annual budget.

Continuity of the Fund: There is a purpose that the identification

and decision to help should be by the parish, for the parish, ably supported by the diocese and hence the GSFP Committee will strive to build the parish fund. It will procure donations from men and women of goodwill and seek help from parish associations to raise funds by organising activities especially the children and the youth.

This is one account for spending to help the needy. Funds will be accumulated by donations, setting up a habit of donating a portion of amount on birthday, anniversaries, other occasions and religious events like christenings, first holy communions, confirmations, marriages, feasts and other functions.

The GSFP will receive donations at the Parish office of any amount by cheque favouring “COFRE DA FABRICA DE SE CATHEDRAL” or in cash. However cash amounts should be restricted according to the Income tax regulations. The office will issue a receipt to the donor, detailing the full name address, mobile number, pan number and signature of the donor. An Amount exceeding INR 10,000/- will be preferably be accepted for the corpus fund with a letter from the donor stating the intention and ensuring receipt clearly mentioning the purpose.

Disbursement: The GSFP and GSFD will disburse an equal amount towards the needy cause. The GSFP Committee will finalise the amount to be distributed to the needy with proper justification. The amount to be disbursed will depend upon the funds available in the GFSP account. The committee shall forward this information together with the copy of the cheque issued to the needy to the Diocesan Committee for disbursement of the latter’s share of an equal amount. The GSFD will disburse if the request is justified.

“Go and do likewise” (Luke 10: 37). We must meet the requirements and improve the conditions of the needy. As we belong to one family of Christ, it is necessary to ensure we are of help to our unfortunate brethren. To meet the concept of somudai-A community of Christ .Thus the love, concern shown amongst our somudai helps us to build/strengthen the social status /fabric and we can live as one family.

May the Lord Bless Our Generosity towards the ‘SE CATEDRAL GOOD SAMARITAN FUND’ of the Parish.

Ode to Grandparents

Grandparents-A Blessing

Having Grandparents is a blessing in life and I'm blessed. I have my Mai, Papa and Nani, but Pai is in heaven. My grandparents are seniors in the family who have a lot of knowledge and experience. Grandparents love us; they are our best friends in life. I love the stories they tell, I hold precious their unconditional love and care and most of all I treasure their blessings. Their guidance and support is always with us. They are the ones who teach us the value of time and prayers. They help us to be the best that we can be. I wish for God's blessings on my grandparents forever.

Pai, I know that you are in heaven and your blessings are with us. I take this opportunity to thank my Grandparents for being wonderful blessings for us throughout our lives and for everything they did and do for us. Your unconditional love will never be forgotten.

I love you MAI, PAI, PAPA and NANI.

Cherished Memories of My Grandparents

Now they are with God, so I'll call them Grand-Godparents, as Mom says they are blessing me from heaven since they are with God the Father, in heaven.

My Grandmother (Mummy)-Rohini Dias, was very hardworking, dedicated, sincere and very very Godly person. She was always full of love and she praised God at all times. Mummy taught me how to pray the rosary and reflect on the mysteries. She taught me to lead the rosary every day and I continue to do so.

My Grandfather (Papa)-Joaquim Dias; I lost him when I was 4, but what I cherish are the scooter rides on his Dio, his funny ways to feed me, and more such sweet memories.

I miss my Mummy and Papa and I also love them lots.

The Special Bond!

To Our loving Nana and Papa. You both mean the world to us. You're a blessing to us all. Your love is so strong and deep, filled with memories to keep. We share a special bond that we will always remember. The fun and laughter shared together, we will cherish forever. Your wisdom, kindness, love and prayers will help us reach our dreams. We love you Nana and Papa.

Grandparents-Our Confidence Boosters

Grandparents are a blessing from God. They are angels in our lives who are always looking after their grand kids. Grandparents pamper their grandchildren and they are adored by their grand kids. They love us unconditionally and pamper us endlessly. They also correct our mistakes and scold us when necessary. Grandparents are truly a blessing in our lives. Grandparents support you even when your parents do not. Most importantly grandparents are true believers in our skills and talent. They are the ones who push us to reach for our dreams when the world puts us down. They boost our confidence and allow us to perform better. Grandparents are the blessings for everyone who is lucky enough to have them.

Happy Grandparents Day! May God bless you'll with good health. I love you my grandparents.

Grandparents-The Best Educators

"Grandparents are, without a doubt, some of the world's best educators." Charles. W. Shedd

On this auspicious Grandparents' Day, I want to share a few words on my grandparents and the love they have given me. Feeding me milk and putting me to sleep, when I was a small little child, was their favourite routine. They also taught me good habits and good values. They corrected me, when I was wrong.

I love my grandparents a lot, because they simply are the best grandparents in the whole world. They have taught me many good things, like respecting my elders, listening, to be obedient to what they tell you and to be kind and helpful to one another.

They also taught me to help my parents with small chores. They encourage me when I do something creative like baking cakes, which I love to do. They told me moral stories which helped me learn a lot. Words can't describe them. They are more precious than gold and silver. Their love is one thing that money cannot buy.

LIFE OF ST FRANCIS XAVIER

1506-1542: YEARS AT GLANCE	
1506	The Sixth and the Last child is born to Dr. Joao de Xavier and Maria d'Aspilcueta at the Xavier Castle (Navarra-Spain) on April 7. The boy is named Francis.
1512	Navarra is attacked by Spain and declared its province. The father of young Francis is not able to survive such disgrace and dies four months later.
1514	After Continuous wars, peace is declared and people accept the Sovereignty of Spain.
1525	Eighteen year old Francis leaves his ancestral home and is on the way to France for studies in the world renowned University of Paris.
1529	In the college of Barbara, Francis shares a room with Pedro Fabro and Ingo de Loiola who would be later instrumental in changing the attitude of Francis by dinning into his ears the famous words of Jesus: what does is profit a man to gain the whole world if he loses his own soul?
1534	The converted Francis joins Inigo, with some other friends: they all promise to serve Jesus in poverty and chastity
1537	After leaving Paris the previous year, they go to Rome to be blessed by the Pope before their pilgrimage to the Holy Land (Jerusalem). On June 24, Francis is ordained priest together with Inacio, Lainez, Rodrigues, Bobadilha and Coduri. They preach and nurse the sick in the city. They form a society under the banner of their Lord and Captain JESUS
1538	Unable to go to Holy Land due to the war, they present themselves to Pope ready to go anywhere, to be always disposal. The foundation of the permanent society is proposed and the Rule presented to the Pope for approval.
1539	At the request of the king of Portugal, one member is chosen to go to distant India: but he falls terribly sick and Francis is asked to take his place.
1540	After a long journey Francis reaches Lisbon, accompanied by the Portuguese Ambassador D. Pedro Mascarenhas.
1541	Our zealous Francis embarks for India on April 7, in the company of the new Governor D. Martin Afonso. The Pope had appointed Francis his Nuncio, for the remote East.
1542	Francis lands in Goa after a long and strenuous voyage of eight months.

My experience as a PPC member

Savio E. Vaz

I joined the Parish Pastoral Council (PPC) of St Catherine of Alexandria Parish, as a representative of Our Lady of Piety Somudai in June 2019 under Fr Alfred Vaz (Parish Priest) and Fr Seby Vaz (Asst Priest) and remained in the Council under Fr Rosario Oliveira (Parish Priest) and Fr Seby Vaz (Asst Priest) till May 2024.

Being chosen to be a PPC member is the Lord's unique call for everyone to *serve* the Lord in the Parish and in the Somudai. I am thankful to God Almighty and to all the priests who encouraged and guided me to carry my responsibilities efficiently. In this new endeavour, the Lord's hand was always there guiding me all the time in every situation.

I understood how as co-responsible partners – the priests, the PPC members and the Somudai members work together in furthering the mission of Christ in the church.

As a PPC member, it was a unique experience to see how the whole group would meet, respond, share and come to a consensus every time while discussing about the present and future needs of the church and the community, likewise reflecting about how to improve the things in the future of the events that were already organised.

Being a member, it led to my faith formation and paved a different way towards spiritual growth. It enhanced my knowledge of the Catholic doctrine. I learnt the intricacies of teamwork, leadership skills, interpersonal skills of networking and collaboration in promoting vibrantly the mission of Christ in the church and in the Somudai.

All the members of the PPC were very friendly, helpful and every now and then a spirit of oneness prevailed among us. Every activity of the church was well organised with good coordination and cooperation of the PPC members and the ward members under

the able guidance of the Moderator, Mr Ramesh Mendonca.

I thank all the families of Our Lady of Piety Ward for their cooperation and support in organising various activities conducted by the PPC.

Being a PPC member, is a rewarding and fulfilling experience, making the Church more vibrant, causing a positive impact, becoming a beacon of hope and inspiration in spreading the mission of Christ in every way possible and bringing the Somudai closer to God in fulfilling the aim of Synodal Church.

**"God wants young people to bring joy to the hearts of the elderly, as Mary did to Elizabeth, and gain wisdom from their experiences."
-Pope Francis**

Feast of St Anthony -A Report

Theresa Rodrigues
(Our Lady of Light Somudai)

St Anthony of Padua or St Anthony of Lisbon was born on 15 August 1195 in Lisbon, Portugal. He was a powerful Franciscan preacher and teacher. St Anthony is one of the world's most beloved and popular saints known for finding lost stolen articles, awe inspiring miracles and his love for the poor. In Goa we immediately say 'Sant Antoni kodden Mag' if anything is lost.

Tuesday is a day especially dedicated to St Anthony to acknowledge the many miracles that took place following his death on 13th June, 1231 in Verona, Italy.

This Year Our newly formed "Our Lady of light "Somudai had the honour of celebrating the feast of St Anthony. Everyone pitched in generously with help coming from all directions. The main altar and a separate table for the statue of St. Anthony was decorated with lights and flowers.

St Anthony's bread at the feast mass in honour of the saint

A Big Thank You

The Executive Committee of the Parish Pastoral Council (2019-2024) formed a **Main Election Team** (MET) to carry out the process of reconstituting Parish Pastoral Council. A Team headed by the Convenor Fr. Rosario Oliveira and 13 members carried out the process of reconstituting PPC and constituting Parish Assembly. It was a journey of 10 months which involved Planning, Executing, Reporting and Meeting Deadlines. The MET Members left no stone unturned in completing the 7 stage process. The commitment, dedication and tireless service of the MET to the Parish, resulted in the installation of a Council of 49 members and an Assembly of 85 members. A commendable Job indeed! On behalf of the Convenor, I take this opportunity to **THANK** the PPC members (2019-2024) and others who made arrangements during family and somudai visits, extended support for concientization and elections. I also express **GRATITUDE** to the resource persons at the formation sessions, the polling officers sent by DPS, the ULO editorial board for publishing reports and finally all the parishioners who actively participated in the elections for reconstituting the PPC (2024-2027) and constituting Parish Assembly (2024-2027).

World Day for Grandparents and the elderly (Sunday 28 July)

On Sunday, 28 July, Catholics around the world are invited to take time to reflect on the great heritage and wisdom passed on by their grandparents and the elderly.

In preparation for the Fourth World Day for Grandparents and the Elderly, the Dicastery for Laity, Family and Life released the theme for the 2024 iteration.

The Pope has chosen the theme: “Do not cast me off in my old age” (cf. Psalm 71:9).

It is meant “to call attention to the fact that, sadly, loneliness is the bitter lot in life of many elderly persons, so often the victims of the throw-away culture.”

In his message, Pope Francis has drawn on the verse from Psalm 71 that depicts the plea of an elderly person who reflects on the story of their friendship with God.

“By cherishing the charisms of grandparents and the elderly”, reads the press release, “and the contribution they make to the life of the Church, the World Day seeks to support the efforts of every ecclesial community to forge bonds between the generations and to combat loneliness, in the awareness that — as Scripture states — ‘It is not good for man to be alone’ (Gen 2:18)”.

Cardinal Kevin Farrell, Prefect of the Dicastery for Laity, Family and Life, expressed his gratitude to the Pope for highlighting the loneliness endured by many elderly people.

“Faced with this reality,” he said, “families and the ecclesial community are called to be at the forefront in promoting a culture of encounter, to create spaces for sharing, listening, to offer support and affection: thus, the love of Gospel becomes concrete.”

Loneliness, admitted the Cardinal Prefect, is an unavoidable condition of human life, as well as an invitation to turn to God the Father for comfort.

As Christians, he said, the World Day dedicated to grandparents and the elderly calls us to put aside our throwaway culture and show “tenderness and affectionate attention” to the most fragile members of our communities.

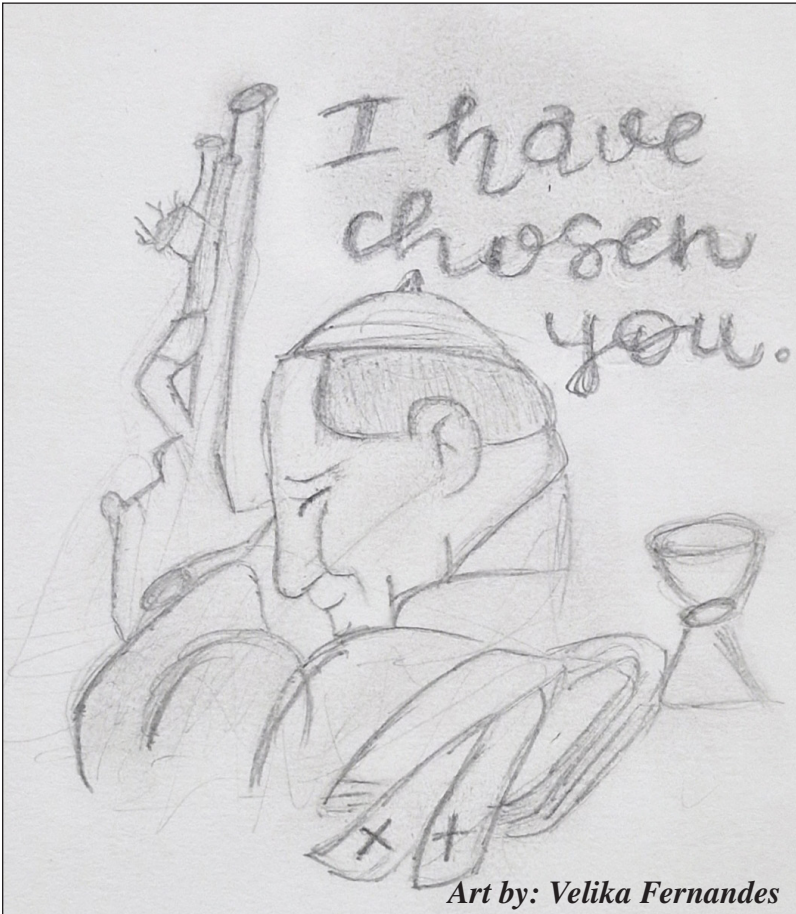

The 2024 World Day for Grandparents and the Elderly takes place in the Year of Prayer, which Pope Francis has called to help Catholics prepare for the 2025 Jubilee.

The Pope established the World Day in 2021 to take place on the fourth Sunday of July, near the liturgical feast of Sts. Joachim and Anne, Jesus’ grandparents.

YOUTH CORNER

The appointment of our new Archbishop, Rev. Fr. Simão Purificação Fernandes, holds substantial significance for our community.

It represents a moment of renewal and potential transformation within our community which brings in a mix of hope and apprehension towards the promise of revitalizing our connection with the church and strengthening our communal bonds.

Solve the puzzle to see how well you know the 12 Disciples of Jesus (PUSTOK 5-7)

Jesus chose his disciples not because they were more intelligent, gifted or prosperous than others but because they had willing hearts to follow him and serve.

Service is not about what we can do from our own strength but what God can do when we are humble and submit to his will.

Jesus needed helpers while He was on earth, and He still calls helpers today.
